

OFFICIAL RULES AND REGULATIONS OF THE URS RUBBER DUCK REGATTA

1. The Rubber Duck Regatta is presented for the benefit of United Rehabilitation Services, a charitable organization under 501 (c)(3) of the Internal Revenue Code (the "Presenter").
2. Ducks will be launched into the Great Miami River on Saturday, September 15, 2018 at approximately 4:30 pm. The race course will be established by United Rehabilitation Services. If for any reason beyond the control of the Presenter, such as weather conditions, the Presenter determines not to run the race, the Presenter will determine the winners of all prizes by raffle or random selection.
3. The race course will close approximately 30 minutes after the first duck has crossed the finish line. Any ducks finishing after that time will not be eligible for prizes. If the race is not completed within the time limit established by the Presenter, the Presenter reserves the right to terminate the race and determine the winners by raffle or random selection. Prizes will be awarded based on the order of finish of the ducks. Depending on weather conditions and other factors, the Presenter may use means other than the natural flow of the water to move the ducks across the finish point. The Presenter is not responsible for any actions taken by any spectator or anyone who is not an agent of the Presenter which alters the speed or finish order of the ducks.
4. The entry portion of each adoption paper must be completely filled out and delivered to the Presenter or an authorized representative of the Presenter, or mailed to the Presenter at the address set forth in the first paragraph, and actually be received by Presenter prior to the race to be eligible to win a prize. Entrants assume the risk of non-delivery of any entries to the Presenter or an authorized representative of the Presenter.
5. At least 20,000 Rubber Ducks will be entered into the race. Chances of winning depend on the total number of qualified entries. A number will be attached to each duck which corresponds to the number on its adoption paper. Prizes will be awarded to the person whose name appears on the adoption paper corresponding to the first qualifying ducks to finish and be gathered in the duck trap. Prize winners under the age of 18 must be accompanied by a parent or legal guardian when receiving their prize.
6. No purchase or donation is necessary in order to enter or win. The Presenter requests a \$5 donation per duck adoption, "entry" to benefit the charitable work of the organization. A donation does not increase your chances of winning. Free entries defeat the charitable fundraising purpose of this event and are not encouraged. However, one duck adoption entry per person, without donation, may be obtained by presenting a written request to the address set forth in the first paragraph. A self-addressed, stamped envelope must be included with the request for the request to be honored. Request must be received by 4:00 pm EST on Friday, September 14, 2018. Any request for free entries will not be honored if received after September 14, or after all 20,000 ducks have been sold.

7. All ducks entered into the Rubber Duck Regatta will be provided by the Presenter and will remain the property of the Presenter. No attempt to interfere with any ducks is permitted unless deemed necessary by the Presenter or an authorized representative of the Presenter. Any attempt to interfere with any ducks will result in disqualification from receiving any prizes.
8. Prize winners will be announced following the race. Winner need not be present to win. All prize winners will be notified by United States mail or telephone within 14 days of the Rubber Duck Regatta. Prize pickup will take place at a time and location convenient to both winner and Presenter. If the winner does not claim his/her prize from United Rehabilitation Services within 30 days after notification of winner, United Rehabilitation Services may select an alternate prize winner through a random drawing of adoption forms. Limit one (1) prize per person. All prizes will be awarded.
9. A list of race winners can be obtained from the Presenter by sending a written request and a self-addressed, stamped return envelope to Presenter at the address listed in the first paragraph.
10. By adopting a duck, entrants release Presenter consent to the promotional use of their name, voice, statements, image and likeness, in any medium, without further compensation or notice, unless prohibited by law.
11. United Rehabilitation Services Development Department Staff are not eligible to win a prize.
12. All decisions and interpretations of rules, regulations and final determination of winners shall be made by Presenter.
