MEET BLAKE

REGATTA AMBASSADOR

Blake is this year's Rubber Duck Regatta Ambassador! Blake, three years old, has Down Syndrome, and has already endured two open heart surgeries. He began attending our 5-Star Rated Early Education program in October 2019 after being referred to URS by the Exceptional Families program at Wright-Patterson Air Force Base. When he arrived at URS, he wasn't able to feed himself, use a cup or walk, but he's unstoppable now! According to his mom, Blake has "made a complete 180" since coming to URS! His parents appreciate having access to physical, occupational and speech therapies while he attends childcare, which greatly eases the stress on Blake and their family.
